### MAJOR THINKER

Dear J18: They say that a photo says a thousand words but even so I would like to see more photosets in your magazines that tell specific stories. How about this: one of your photographers could shoot a set that features four young ladies. All are members of rival gangs, two ladies are affiliated with one gang and the other two ladies are affiliated with their rival, identifiable by their clothing. They start out fighting, but then the fight quickly dissolves into a sexy fourgy. The ladies could have matching tattoos on/around their crotches so that us readers could tell who belonged to which gang even after everyone was nude. (They could be temporary tattoos, of course.) They could wield sex toys like weapons, and it would be like a really sexy, slutty orgy with lots of pussy licking and French kissing. What do you think?—Randy in WA

### CURLY ON TOP...

Dear JUST 18: Don't ask me why, but I love it when a gal has curly hair. Blonde, brunette, redhead, the color don't matter as long as she has curly tresses, the longer the better. I guess maybe it reminds me of my very first love back when I was in high school. She sat in front of me in Earth Science class and I adored her. All day long I fantasized about running my fingers through her hair. What was her name again? Mary? Marion? Something like that. Anyhoo, she never paid me no mind but I have had a thing for curly-headed gals ever since. Curly on top, shaved on the bottom is just the way I like 'em!—Van in UT

### BASE CARNALITY!

Dear JUST 18: I was raised to believe that fornicating without specific intent to procreate is a sin. But when I look at the lovely creatures in your magazine, doing unspeakable acts of base carnality, it does not seem wrong somehow. They all look so glorious, so young and healthy and alive that I refuse to believe that what they are doing is wrong. Especially the pictorials involving two girls engaged in a loving embrace. How exquisite! I like looking at their faces while they are coupling even more than I enjoy studying the rose-colored contours of their bald, twitching honeypots. Keep up the good work, JUST 18. Your loyal readers appreciate you.—B.D. in IL

### PUBLIC NUISANCE

Dear JUST 18: I find your magazine downright inspiring. Why, some issues have moved me to wack off nearly half a dozen times a day! The photos I enjoy the most are the ones showing a hot teen getting fucked in an unusual place, such as a classroom or a barn or someplace like that. I find the outdoor setting to be an especial turn on. I myself have never had sex out of doors, although it is something I would very much like to do one day, if only I would find a willing partner. I have begun to jerk off outside, in the privacy of my own backyard so it's not very daring but it still feels naughty and fun to me. I would like to have sex in a supermarket parking lot, or perhaps the parking lot of a chain discount store. I think that appeals to me because that's a place that "normal" folks frequent and it would be so shocking for one of the housewives or other shoppers to find me with a hot young piece of tail getting it on in between cars. Just a fantasy I have.—Phil in NH

### NOT A CHANCE IN ELLE?

Dear JUST 18: There was a coverbabe a couple of issues back named Elle—she was very fair skinned and slender and she sported a tattoo on her stomach to the side of her navel. She had long, luscious red hair that was a very rich, very captivating color. Well I am writing because I fell in love with her a little. Her smile seemed so genuine and even though she was depicted in the nude with a dildo

inserted into her vagina, I could tell that she is a very good girl at heart. But not too good—I am not interested in someone too pure to put my cock in her mouth. Or even take it up the ass once in a while, but we can work our way up to that. I am convinced this Elle is the perfect woman, the one I have been looking for ever since my second wife left me. Is there any way you might be able to pass along my contact information to her? I thought perhaps she might write to me and I can explain my adoration. Thanks!—Billy in SC

### SO MANY CHICKIES, SO LITTLE TIME

Dear J18: So many chickie sluts, so little time. Alas, that is my great lament. I am surrounded by acres of tender young flesh every single day. I live in a big city and so there are hot to trot bitches all over the place in various states of undress. I don't know how a reasonable man is supposed to keep focused on anything. I mean, a man could get himself into some serious trouble if he isn't careful. That's why I subscribe to your publication because it keeps me off the streets and maybe even out of jail. You know what I mean. I can devour the honeys posing with their legs spread as much as I want, stare for as long as I want, utter as many filthy things to them as I want, all without worry of offending someone or scaring anybody. Seriously, your magazine is a god send!—Ken in NY

# M-F-R-O

I hope this doesn't make me sound stuck up, but I totally heart my body. And why shouldn't I? My shit's tight. There's no "off" switch on this sexy machine, no sir! My titties may be tiny, but they're a magical mouthful. My nipples are so sensitive that a nibble sets me squirming for days. My buns are sweet and round and my legs are lean and shapely. I also happen to have the most beautiful pussy ever and if you don't believe me you better take a nice long, hard look for yourself. See how plump and lush my outer lips are? From the front or the back, my mound looks just like a ripe little peach. When I pull myself open to reveal my pink inner petals, see how moist and delicate they are? How it looks like my slit is begging for a kiss? That's what is known as pussy perfection. 

This biotch  
is like totally  
into herself!

**REENA, LINDSAY & TIM**

**M**y bestie Reena knows about a billion people, so if ever we're chillin' and sorta bored and maybe a tad bit horny, there's always some guy she can summon to come entertain us. Last time she called up this kid called Tim, and let me tell you, things got intense! He marched in and took charge and had me and Reena naked and blowing him before either of us could say "boo." It was so fucking hot! Next he flipped Reena over and started pounding her from behind, first her pussy and then her ass. I sat real close and watched and every so often he'd pull his cock out of her bum and let me lick it. Then it was my turn and Tim tore up my pussy while Reena sat nearby and flicked her bean. When he was finally set to spooge he splattered us both! 

The dork who  
said "three's a  
crowd" probably  
never got laid.

# HORNDOG'S NOTEBOOK

By Joe Z.

"Thirtysomething Joe meets a college cutie at the flea market who is curious about how young-at-heart he is. Or maybe we should say, young-at-cock! Well, he shows her, all right!"

31630

**"PROVE IT  
WITH  
YOUR PENIS!"**

"I should have a job like yours."

I had closed my eyes for a few moments so I could momentarily blank out the bustle of the indoor flea market and enjoy the soundtrack from the old Charlton Heston epic *Ben-Hur*, which I was listening to on my CD player. Yeah, I still listen to discs—what the hell, I'm a retro kind of guy.

Well, now I opened my eyes. It was that sweet college chick Kiki again, one of my regulars, looking at my stack of 1950s men's magazines. I sold 'em cheap, five bucks apiece. They weren't in great shape anyway.

"Yeah, I think I want to become a flea market person. Just traveling around, selling cool stuff like you do, Joe. Buying stuff and selling it and being free. I don't want to spend the rest of my life paying back student loans. I think I'm gonna drop out."

"Won't your parents freak?" I said, putting aside the CD and standing up.

"They don't own me. I'm eighteen."

"Every inch of you," I said.

Kiki rolled her eyes and kept flipping through the vintage mags.

"You old perv."

"I'm not that old. Maybe ten years older than you."

"Maybe? You're not sure how old you are, Joe?"

"Ha-ha, Kiki, LOL."

She stuck out her tongue at me. Jeez.

All I knew is that when Kiki showed up at my booth, she always seemed to be wearing a low-cut top that showed off her bobbing little bra-less tits. She dressed that way even when the weather was cold; she just put a coat over it, which she opened when she got inside the indoor flea market, which was held in an old warehouse each weekend.

"If you're so eighteen and un-ownable, Kiki, why don't you act like a grown-up and hang out with me after I finish for the day? You know you want to. Better than going back to your dorm, right?"

She went to the university downtown.

"I tell you what, Joe, I'll help you sell your stuff today. You don't have to pay me. I just want to show you I have what it takes."

"No, I gotta pay you something. It's only right."

"Well, you can pay me with coffee."

So I gave her two bucks and sent her to the deli at the corner to get us a couple cups. When she got back she was ready to start selling, and wouldn't you know? Having a cute eighteen-year-old selling, and wouldn't you know? Having a cute eighteen-year-old with jiggle little boobs under a skimpy top did sell a few more vintage mags than usual. She was a nut. She offered to autograph the magazines even though she obviously wasn't in 'em, and that made the customers laugh, it was absurd but perfect. We sold about twenty-five mags, more than usual.

When the selling day was over, she offered to help me load up my car. When we were done, I gave her thirty dollars. "What's this for?" she said.

"You were my assistant today. Your first day working in the flea. A person who works for free is a slave, as a philosopher once said. I don't believe in slavery." I gave her the money. "Now, you better get back to the dorm and do your studying. I was only teasing you about hanging out with me."

"Were you? I'm disappointed, Joe. Because there's something I want to do with you."

"What's that?"

"Suck that old cock of yours. I bet I can tell exactly how old you are by putting it in my mouth."

"Kiki, my cock is not old but at eighteen you are too young for me." What a liar I was!

"Oh, so you like old pussy as well as old magazines?" she teased me, leaning on my car and pushing her tits out at me through the top. Her thighs looked pretty good in the short skirt, too. The weather was unseasonably warm, Indian summer, so girls everywhere in the city were giving everybody one last eyeful before autumn hit us hard.

"I didn't say I liked old pussy."

"Then take me somewhere and prove it with your penis."

"Like where?"

"Like a bed? You know of any good old ones?"

"Quit with the old jokes, Kiki."

"I will when you show me you're young at heart 'n' cock." I didn't say it, but I knew Kiki would always have a way to pay back student loans, if somebody directed her to the phone sex industry. This girl had a voice as well as looks. Well, I told her to get into the car and we drove to my place about thirty minutes away. I live in a small house that I inherited from an old memorabilia dealer friend of mine who passed away. I'd helped him sell his stuff from time to time and then, surprise! He left me everything in his will. I cleaned up his house—it had been kind of messy—and now it was cozy, and I could store my stuff there too instead of having a storage space while living in an apartment, as I used to.

Kiki helped me take the stuff out of my car and stack it in the garage, which I never use for its intended purpose but as my storeroom. Then we went into the house. "Where's your bedroom?" she said. "You can learn a lot about a man from his bedroom."

"Not mine. I keep it humble."

Kiki grabbed me by the crotch of my jeans, not hard but playfully, and then she looked up at me and said, "Take me there." So I did.

How do I get myself into these situations? All right, I'm not bad looking. And maybe, because I'm never looking for action, it always finds me. That seems to be a winning combination to get lady juices flowing.

"I've learned something working for you today," Kiki said. She hopped on my bed and, standing on the mattress, stripped off her clothes. Then she plopped down and began posing like the girls in

the old nudie mags, jutting out her arms and legs this way and that, pushing out a hip, cupping her titties—which were as beautiful naked as I figured they'd be, but always keeping her crotch covered or hidden like they did in the 1950s publications.

"Well, if you ever find a time machine, you'll have a great career back in 1957," I said.

"Get that old cock over here!" She held out her hand, wagging her fingers.

"No, let me just watch you pose and stroke off."

Kiki did a few more poses, then suddenly she opened her legs and spread them wide, showing plenty of snatch. "Whoopee! It's 1977 now!"

I couldn't stop laughing. She knew her porn magazine history, all right! The things the youth of America know these days, thanks no doubt to the Internet. She wiggled her fingers at me again.

"Cock, please?"

So I gave her cock. She held it in her hand and we were firmly back in 2012 as she jerked it like she must have seen in many naughty and forbidden peeks online when she should have been studying her college subjects. She held my balls in her left hand while her right stroked it with total authority, then she opened her mouth wide and took the thing deep into her face. Her mouth felt tight but swampy and warm at the same time. Jeez, it was like she had a pussy in her face! It was all I could do not to blow my load right then and there. I held her head lightly, my fingers slipping through her hair. She looked up at me with her big eyes and her mouth stuffed full, and I hovered right on the edge for a full minute before I slowly pulled my dick out, strings of her saliva and my precum still connecting us. Then the strings snapped and fell down on her bare thighs.

"What are you doing?"

"Look what you've done to my cock, you crazy girl. Now tell me this is an old cock."

"Well, it's at least thirty." She was short by four years, but I didn't tell her that.

"But can you call it an old cock?"

"I was wrong, Joe. There's nothing old about it. It's stiff, it's healthy, and it's—"

"It's what?"

"It's FOR ME!" And she grabbed my meat again and held me close by my ass and she put me back into her mouth and sucked me wild and deep until the sperm started shooting and didn't stop until a gong went off in my head that said I'd just lost maybe a million brain cells to her phenomenal oral skills.

I collapsed on the bed next to her.

"So, you think I should keep up with college or go into the flea market business like you?"

Her abrupt change of focus, so typical of her age, startled me. Maybe I felt older than I thought. Still, did she think I was a guidance counselor? Student loans, a tough job market, the falling value of a college education. Ah, the young people today have it rough. But at least they can relax from all the stress by blowing their worthy elders! And, by the way, fucking them too... 

# Avina & Francesca

**I** know this red-head girl named Francesca who is totally out of control. She is so much fucking fun! I'm not usually into chicks but I've got this mad crush on her. The other day we hung out and took a bubble bath together! It was her idea, of course. And of course, we totally ended up making out. And more. I let her do things to me that I'd never let my boyfriend do, like stick something up my bum. It felt pretty amazing, but a different kind of amazing from when she ate me out. That girl really knows how to chow box! I came like three times in a row when her tongue was on my clit. After she ate me and fingered me and popped my anal cherry, it was my turn to make Francesca feel good. So I fucked her with this pretty impressive dildo. I'm hoping we'll stay friends for a long time to cum! 

Bubbles aren't  
the only thing popping  
in that tub! Buh-bye,  
ass cherry!

VANESSA

**Y**ou know what I love? I love to fuck and suck and party. True story. I have fun wherever I am, even if there's no one else around to play with. Solo, I bust out my fancy dildo, the one with all the ridges. I stoke the entrance of my poonani with spit-moistened fingertips until it aches with the need to have something deep inside. Very slowly, I inch the toy inside my snatch, bump by delicious bump. It feels so freaking good that I can squeeze out an O without even really trying. But the second O is always better than the first. That's the one that makes my eyes roll back and my thighs tremble. It makes me buck my hips and scream out loud. That's the O I fight for, slamming that dildo in and out, pinching my nipples, tensing my thighs. And when it finally cums, oh god, I am reduced to a quivering, smiling puddle. Having myself is such a hoot!

**VICTOR**

**M**y next-door-neighbor is this über outdoorsy hunter-type dude who spends a lot of time in his yard watching for deer. The other afternoon I decided to sunbathe topless and he came over and fake scolded me for distracting him. He looked so hot in his camo jacket with no shirt underneath that I kissed him on impulse and, well, one thing led to another and the next thing I knew he was boning me in the grass. We started out standing up but I just can't cum in that position so he lay down and let me ride him straight to O-ville. Then he spun me around and had me sit on his cock while he held my legs in the air. Next he had me hop off him and kneel so he could shoot his spunk in my mouth. It was so tasty that I swallowed every last drop. 🍆

**CODIE & KYLE**

**W**hen I first started fooling around with Kyle, I was all, "You want to put what in my what?" I mean, his dick is anything but dinky. So he bought me a butt plug to, you know, practice with, and I've been using it on the regular to stretch out my O ring. I must admit that it didn't take long for me to dig the sensation of popping that plug in and out of my sphincter. It's taught me to relax my ass and take what cums, so now Kyle can bugger me whenever he wants. Which is every day, practically. He really loves plugging my starfish when I'm face down, ass up, but he bangs me out in other fun positions as well. Kyle's ultimate favorite is to shoot his wad way up in my poop chute then watch as it oozes back drop by jizzy drop. I'm starting to think that Kyle is obsessed with my can.

Okay, listen up, I have a confession to make. This is gonna sound a little bit cray, but fruit turns me on. For real. Alls I gotta do is wrap my hands around something round, juicy, and citrus-y, like a grapefruit or an orange, and I start to feel a twinkle in my va-jay. I think it's cuz it reminds me of boobs. The fruit. So then I set aside my snack, peel off my top, and palm my girls but I can't very well touch my titty without touching my clitty, too. Then it's on, motherfucker. I rub my nub and tweak my nips till my gynie is good and squishy and then I pull out my favorite two-pronged dong. The nice long side that's slightly curved, that's the part I feed into my puss to make myself cum. The part that's shaped sorta like a banana. Mmmm, fruit. I'm so hongry. 🍌

**MATT**

50000

I'm the luckiest girl in the world! Not only is my BF Matt a hot hunk of ass, he's a great lay, too! So often a super-gorgeous well-hung guy will think all he's gotta do is stick it in the front hole and hump, and that is sooo wrong. Matt knows how to do a girl right. First he sucks my tits and goes down on me until I'm within an inch of an O, and then he'll push me over the edge with his pecker. He says he likes to feel me from the inside when I cum. He says that when my cunny clenches tight around him and I start to moan, it's such a turn on that it makes him want to blow his load. So right after I orgasm he'll take another stroke or two before pulling out to nut on my face. Srsly, I think I may be in love! 

He's really got her gushing!
